

# CONSPECTUS

Welcome,

From the Directorate of Studies,

The challenges and dilemma an uncultured society poses are numerous and heartbreaking. From drug abuse to homosexuality, abortion to rape and other social vices.

At ISAM we have developed a curriculum based on breadth and excellence across education, family protection and citizenship, with programs which are stimulating, relevant and intellectually exciting. We also combine a deep commitment to outstanding research in peace studies, leadership and government, security and law with a passionate engagement in the realities of learning and teaching.

Our programs and products offer flexibility and choice. We have tailored our provision carefully to meet the needs of a diversity of students, care-givers, education management stakeholders, leaders and chief security officers.

We hope you will want to share in what we can offer, and to help us further extend the range of our influence.

Management,

*DOS*
